

This is a Missouri Star pattern called the Two Step.

All seams are  $\frac{1}{4}$  inch.

1 – 5" white square.

2 – 2  $\frac{1}{2}$  " strips of material ( different strips of Batiks or Florals your preference)

Sew the 2  $\frac{1}{2}$  " strips together. Press to the dark side.

Measure a 5" piece of the sewn strips and sew it to one side of

The 5" square of white material. Press and measure the piece

It should be 9 " long.

Cut from the sewn strips a piece 9" and sew to the side of the square,

Press and you have a finished block that is 9 inches.
