

March Block of the Month - Irish Log Cabin

This block measures 14 inches square (14 ½ inches unfinished)

Choose 6 different coordinating fabrics...3 greens for the “dark” side of the block and 3 golds for the “light” side, plus a 2 ½ inch square of burgundy/maroon

1. Start with 1 burgundy 2 ½ inch square for the center
From the 6 coordinating fabrics, cut 2 ½ inch strips at least 15 inches long
2. Sew a gold strip to one side of the burgundy square. Trim strip even with the square. Press the seam to the gold. Sew the remaining strip of the same gold fabric to the long side of the pair of squares. Press to the longer strip.
3. Continue adding strips in this manner, using a green for the next adjacent sides, repeating gold strips on the light sides and green strips on the dark sides until there are three strips on each side of the burgundy square.

Your completed unfinished block will measure 14 1/2 inches.

14 inches after sewn into a quilt!
