

Double pinwheel- block of the month - February
Please return to March meeting

NEED: 3 FABRICS

2 Squares measuring 7" x 7" from Fabric A

1 Square measuring 7.5" x 7.5" from Fabric B

1 Square measuring 7.5" x 7.5" from Fabric C (white)

Take the 2 Fabric A squares and cut each one in half diagonally.

Take Fabric B square and cut in half diagonally. Cut in half again - you now have 4 Fabric B triangles.

Repeat with Fabric C - you now have 4 Fabric C triangles.

Sew B and C triangles together.

Sew B and C unit to Fabric A triangle- you now have 4 squares measuring 6.5".

Sew the 4 squares to make a pinwheel.
